Apologies for the delayed response.

Can you please note on my reservation that I will require a transfer on departure to Mekele @ \$40

I will also need a day tour of the Tigray churches on 31 Jan. I am not able to climb rock faces, but can walk distances over stable ground. I'll let you plan accordingly.

Thank you,

Simon

PS. I will *not* require a transfer from Axum to Wukro.
